**OVER \$4,200 RAISED FOR FAMILIES OF ARKANSAS FLOOD VICTIMS
Homer, LA Resident Takes Home New Orleans Getaway Grand Prize**

Bossier City, LA – September 5, 2010 – Supporters attended a charity raffle hosted by Katrina's Angels to benefit the Smith and Basinger families who lost loved ones during the June floods at Alberts Pike Campgrounds. The successful event, held at Reeves Marine, raised over \$4,200 for the families.

"We want to thank all of the supporters who purchased tickets for this worthy cause," said Lisa Lobrano, event coordinator. "This would not have been possible without the wonderful people and businesses who donated these great prizes and the incredible support of Katrina's Angels."

Rickey Holley of Homer, LA took home the grand prize of a New Orleans Saints weekend getaway for two. Other prizes included gift cards to Emeril's, Commander's Palace, Aperio Salon, and Stonebridge Country Club among others.

About Katrina's Angels

Katrina's Angels is a national volunteer effort that is driven by the generosity of people wanting to make a difference for those communities affected by federally and state-declared disasters. The foundation provides partner organizations access to resources, volunteers, and support to help coordinate relief efforts of affected areas.
