REMEMBER "KATRINA"

Most Americans have resumed "life as usual" since the Gulf devastation is no longer in everyday news. The needs, however, remain painfully real and are mounting with urgency. Recovery is estimated to be a decade or longer by most sources. We are committed to being part of the solution for last year's national disasters and those in the future.

Our Goal!!

Katrina's Angels has approximately every adult and child's bed that is on our list, but **we need your help** to accomplish this. Your donations and/or skills will help our volunteers to make bedding to keep families of disasters warm and to raise funds so we can continue to provide aid to families in need.

700 registered needy families that we are providing direct relief to (Clothing, Bedding, Household Items, & Employment placement) as a result of the hurricane disasters of 2005. **Most have lost everything** they owned. **It is our goal to put a hand (or machine) sewn comforter, quilt or bedspread on**

WHAT IS Katrina's Angels?

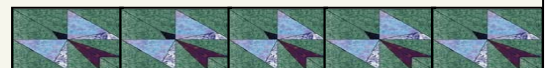

Katrina's Angels is a grassroots group of volunteers nationwide that remain committed to long-term disaster recovery efforts. We are among the first registered responders after Hurricane Katrina.

Make a Difference! How You can Help

Become a 'Sewing Angel' in your own community. We need seamstresses/seamsters and Quilters to donate their skills. **You can organize a sewing circle** with your crafty friends or **ask your Quilting Guild** to adopt a needy family. **Donate gift cards** to fabric stores, retail bedding stores, gently used or new sheets, fabric, batting and sewing supplies so our Sewing Angels can create bedspreads, comforters and quilts. **Quilt donations** and/or suitable merchandise donations for raffle and auction fundraising purposes will be considered so we can purchase the required sewing supplies and provide other means of direct relief to families.
